Camp Objectives

The objective of the camp is to provide players with individual techniques, skills, and tactics that will enhance the player's decision making under match conditions. Each camper will receive special attention and encouragement according to his/her needs. Our continuous objective will be for each camper to know the ball and to control it under pressure and in game situations.

Ages 5-10: Younger players will focus on individual ball-handling skills as well as team play in small groups. Ideal for all skill levels from beginners to young club players.

Ages 11-16 Geared toward older players of all skill levels. Emphasis will be placed on individual techniques, skills and tactics that will enhance the player's decision making under match conditions.

Plan now to attend the best soccer skills camp in the Huntsville area! Coach Mike Latty, 1988-1999 Grissom Varsity boys coach and 1998-1999 Alabama A&M head coach, assisted by other area coaches and former Grissom players, will conduct this year's camp at the Grissom fields. In case of inclement weather inside facilities will be used (must have tennis shoes!)

Take advantage of Grissom's winning tradition of excellence to improve your game!
